

HUMAN SERVICES DEPARTMENT[441]

Adopted and Filed Emergency After Notice

Pursuant to the authority of Iowa Code section 234.6, the Department of Human Services hereby amends Chapter 170, “Child Care Services,” Iowa Administrative Code.

This amendment revises the child care assistance (CCA) fee chart based on the new federal poverty levels recently received by the Department.

The annual poverty level increase will allow families that have received raises to maintain eligibility for CCA without paying increased fees.

Notice of Intended Action was published in the Iowa Administrative Bulletin as **ARC 2449C** on March 16, 2016. The Department received no comments during the public comment period. This amendment is identical to that published under Notice of Intended Action.

The Council on Human Services adopted this amendment on May 11, 2016.

Pursuant to Iowa Code section 17A.5(2)“b”(1)(b), the Department finds that the normal effective date of this amendment, 35 days after publication, should be waived and the amendment made effective July 1, 2016, because the amendment confers a benefit on the public. The annual poverty level increase will allow families that have received increased income to maintain eligibility for child care assistance without paying increased fees.

This amendment does not provide for waivers in specified situations because requests for the waiver of any rule may be submitted under the Department’s general rule on exceptions at 441—1.8(17A,217).

After analysis and review of this rule making, no impact on jobs has been found.

This amendment is intended to implement Iowa Code section 234.6.

This amendment will become effective July 1, 2016.

The following amendment is adopted.

Amend paragraph **170.4(2)“a”** as follows:

a. Sliding fee schedule.

- (2) To use the chart:
1. No change.
 2. Move across the monthly income table to the column headed by that number. (See paragraph ~~“5” if the family has more than ten members.~~)
 3. and 4. No change.
 5. ~~When a family has more than ten members, determine the income level by multiplying the figures in the four-member column for the rows closest to the family’s income level by 0.03. Round the numbers to the nearest dollar and multiply by the number of family members in excess of ten. Add the results to the amounts in the ten-member column to determine the threshold amounts.~~
